

Thank You for Your Donation to the Gift of Music!

Dear Friends,

The value of the arts in education is something that the Campbell City School District takes very seriously. The district feels that every child deserves the chance to play a musical instrument. Studies have shown that music classes aid students academically and help teach them the skills necessary for success later in life.

In times when instrumental music programs are shrinking and being threatened due to budget constraints, the program at Campbell City Schools is growing. Students are enjoying the positive educational benefits of playing in the band. Participation is at an all-time high at the middle school and the program is expected to grow exponentially each year.

Unfortunately, not all students can afford to rent or buy an instrument and our inventory in the district is quickly shrinking with additional participation. Help keep music alive for everyone in our schools and consider donating an instrument or sponsoring a student with a monetary donation.

Perhaps you have a saxophone or trumpet in your attic that hasn't been used in a while. Maybe you know someone who has a snare drum gathering dust. If you have an instrument that we could put to use, please fill out the required information below.

A school district representative will send you a thank you letter documenting your donation and you will be giving the gift of music to a deserving student. Playing in the band may have shaped who you are today. Please help us allow our students to have that same experience.

Kindly yours,

The Campbell City School District Music Department

Let's help our students embrace their love of music and share their talents with the world!

Please complete the information below to help us process your donation.
